OFFICE OF THE MANAGER, GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Notification No. 1, dated 16th July 1940.

Sealed tenders for the supply of the undermentioned feed articles to the Experimental Farm, Hiriyur (about three miles from Hiriyur and 28 miles from Chitaldrug Railway Station), will be received in the office of the undersigned up to 2 P.M. on Monday the 5th August 1940.

2. The tender should be superscribed "Tender for the supply of Feed Articles to the Babbur Farm" and the rate offered should be per maund of 28 lbs. in the case of Ricebran, groundnut, oilcake and cotton seed and per palla of 100 seers in the case of common salt, including the cost of delivery on the Farm.

3. The tender should accompany an earnest money of Rs. 50 in cash.

4. The acceptance or rejection of any tender rests with the Director of Agriculture in Mysore, Bangalore, whose decision will be final in the matter without assigning any reason therefor.

5. The earnest money of the successful tenderer will be retained and those of unsuccessful tenderers will be returned at their own cost on receipt of intimation from the Director of Agriculture for acceptance or otherwise. The earnest money so retained will be adjusted towards the cash security to be furnished by the successful tenderer in fulfilment of the contract.

6. The successful tenderer will be required to execute an agreement on a twelve-anna stamp paper and must deposit a cash security of one-fifth of the value of the articles to be supplied by him, within a week from the date of acceptance of tender.

7. The contract would be for about ten months, *i.e.*, up to the end of June 1941.

8. The articles should be delivered on the Farm and the articles delivered must be pure and free from mixtures. The weight and measurements of the Farm must be accepted as correct.

9. The tenderer should agree to supply the articles whenever an indent is placed with him and for the quantity ordered. If the supply thus made by him is not approved by the Farm Manager, for their quality, he must take them back at his own cost and arrange to supply fresh articles and if not, the articles required will be purchased in the open market at his risk, and the conrtactor is bound to make good any loss incurred thereby.

10. The quantity mentioned in the schedule is only approximate and cannot be guaranteed and in case more quantity is required, the tenderer is bound to supply them at the tendered rate.

11. Failure to comply with any of the above conditions on the part of the successful tenderer will entail not only the cancellation of his tender but also forfeiture of the amount deposited by him and he will also be liable to make good any loss incurred by Government by calling fresh tenders or to purchase the articles in the open market.
